2. Safety rules, outlined in the Act of December 12<sup>th</sup> 2003, that refer to the general safety of products (Law Gazette no.229, pos. 2275 with later amendments).

We also would like to inform that, in the light of the EU Regulation No. 305/2011 of 9 March 2011, loft ladders are not defined as construction products. Because of that labelling them either with 'B' or 'CE' marks is not obligatory.
